

# Permalog+ AMR

## Leak Noise Data Logger

Leak detection and meter reading are essential to the stability and efficiency of the water industry. The Permalog + AMR enhances the world's leading leak detection system by integrating seamless communication with most AMR meter reading technologies.

<b>Dimensions</b>	50mm x 117.6mm
<b>Weight</b>	620g
<b>Type of Battery</b>	Lithium
<b>Battery Life</b>	Typically 5 years (depending on mode of operation)
<b>IP Rating</b>	IP68 submersible
<b>Parameters</b>	User Programmable

### Key Features and Benefits

- **Rapid deployment:** easy to implement, minimizing disruption.
- **Compatible:** fixed AMR network or works with Patroller 4 and WebCorr for quick field data access.
- **Data storage:** can store up to twenty-nine days of data.
